And much more!

The GP Update Handbook

Take home a copy of the GP Update Handbook. This fully-referenced handbook covers the most important research, policy and guidance relevant to primary care over the last five years.

It's way more than a set of lecture notes, the Handbook is a fantastic resource that can be used in consultation, as a learning tool, for tutorials and exam revision.

Who are we?

Red Whale is one of the leading providers of primary care education in the UK with over 20,000 practitioners attending our courses each year.

We specialise in producing courses that are evidence-based, highly relevant to everyday practice and full of actions that delegates can take away and implement immediately.

WHAT WILL I GET?

- 5 hours of fabulous face to face teaching
- Course attendance certificate and 5 CPD credits
- A copy of the GP Update Handbook packed with additional content

Plus 12 months FREE online access to GPCPD.com:

500 searchable & referenced articles
